# Avid Nexis: Workspaces, Credentials and Permissions

Last Modified on 09/16/2026 3:01 pm EDT

## Avid Nexis: Workspaces, Credentials and Permissions

This guide will cover user accounts, credentials, permissions, and workspaces on the avid NEXIS storage unit.

## Accounts, Credentials, and Permissions

- **Username:** atv-edit
  - This account should be used by the *Post Production for Advanced Television Production Workshop* class.
  - This account has Read/Write permissions for the ***AdvancedTV*** Workspace.
  - Multiple atv-edit users can be simultaneously signed into the Nexis server with this account.
- **Password:** b0bcat

- **Username:** atv-finishing
  - This account should be used by the *Post production Finishing for Directors and Cinematographers* and *Post Production Finishing for Editors* classes.
  - This account has Read/Write permissions for the ***AdvancedTV*** and ***PostFinishing*** Workspaces. This is in the case that either one of these
