NYU Festivals Delivery Specs

This document outlines the delivery requirements to have your film screened in an NYU Festival such as First Run.

Export Options

You may submit an Audiovisual file, or a Digital Cinema Package (DCP). Both are acceptable.

It is **essential** that you export your film in accordance with the following specifications. If you do not submit an export that meets the following requirements, ***your film may not be screened in the festival.***

Digital Cinema Packages (DCPs)

If you already have a DCP of your film, you may submit that for screening in an NYU Festival. Any correctly authored, DCI-compliant DCP will be accepted.

Audiovisual File

You may upload a high-quality audiovisual file that satisfies the following criteria:
