

Filming on NYU Campus

Last Modified on 03/14/2025 11:06 am EDT

Permission to Film On-Campus

This information pertains to filming on NYU property, with the exception of spaces that are available through existing FTV reservation systems. Visit the [Locations & Spaces](#) for information on those resources.

Filming on Campus Policy

Filming on campus without permission is prohibited, including building interiors and exteriors. NYU's Office of Public Affairs coordinates all filming on campus, and holds student productions to the same professional standards as outside productions. Any request to film on campus must be cleared by Public Affairs. The Production Office will act as your liaison and advocate in this process. **Note: Do not contact Public Affairs directly.**
