Todman Center

35 West 4th Street, 4th floor

GENERAL INFORMATION:

The Todman Center will be open during the Spring 2025 semester to support **techs** and **classes** and to provide production, casting, and rehearsal space to students in approved classes working on assignments (See [Student Access](#) section for details).

Staff will be available during listed hours to offer limited evening/weekend **emergency equipment swaps** for approved productions. Students in approved courses may also check-out **wheelchair dollies** and **small props** for off-site shoots.

For information on all facilities and resources offered, please see the [Details](#) section below.
