UGFTV Casting

Please review UGFTV's production guidelines posted on the [Kanbar Film & TV Production website](#) before beginning the casting process.

Casting Calls:

A casting call is a way to get the word out to actors about your film. In the casting call, include these elements:

- Write a brief description of the film with its title. Provide a brief overview of the genre and tone, along with a concise summary of the plot. This should be at most two sentences.
- Remember to stipulate that this is a **non-union** and **non-paying** job but that you will compensate your actors by providing food, transportation (if the location is far from the city), and **a copy of the finished film as soon as it is available**
 - Note: If you elect to pay your actors, you will be subject to paying union pension and health contributions (for members of SAG-AFTRA) and state/federal employer-paid taxes. For more information, visit the [Performers & Subjects](#) section of the Kanbar Film and TV Production website.
- Please provide a date for the auditions, the sheet, and the location. Some actors
