Overview

Filming scenes with nudity (implied or actual), simulated sex, or other kinds of intimacy can be uniquely challenging and vulnerable for cast and crew alike. Consulting with the Kanbar Intimacy Advisor, working with qualified Intimacy Coordinators, and following union requirements can help facilitate clear communication, consent, and professionalism on set.

Please note - all sexual acts are to be simulated; actual sexual acts are prohibited.

- ☐ Speak with your instructor and production advisor and review the guidelines on this page.
- ☐ For scenes involving **nudity (implied or actual)** and **simulated sex**, a consultation with the Kanbar Intimacy Advisor is **required**. For curricular projects involving
