UGFTV Supply Grants

External Drive Grant

The Film & TV department can provide hard drives to students with demonstrable financial need.

To be eligible, you must be an undergraduate Film & TV Major, as a Freshman or Incoming Transfer student (returning students are not eligible), and have financial aid (FAFSA or CSS) registered with NYU. There is a limit of 1 drive per student.

Note: If you are eligible for this grant but missed your opportunity to apply as an incoming student, apply now and if extra drives are available, you will receive one.

If you received this grant previously, but the drive broke you can make arrangements to swap out the broken hard drive at the Production Office.

Please fill out [this google form](#). Quantities are limited, so not everyone who applies is guaranteed to receive one. We will notify applicants the first week of school.
