Production Center (PC)

Production Center Information

Overview

The Tisch School of the Arts Kanbar Film & TV Production Center (PC) provides professional equipment and training for students, faculty, and staff. Check out our online training materials and videos for [camera](#) and [production sound](#). If you are interested in which equipment your production course has access to, browse through our [equipment lists/pick sheets](#).

Contact Information

For any equipment troubleshooting questions, please contact us at:
production.center@nyu.edu
(212) 998-1690

For all other inquiries, including one-on-one techs, please contact:
pc_managers@nyu.edu
