## Props & Wardrobe Rentals

### Renting Props & Wardrobe

This is a list of prop and wardrobe rental houses in the NY area. When renting props and wardrobe, expect the vendor to hold a deposit on your credit card until everything is returned. If they request insurance, be sure to read the [Insurance & Contract Review section](#) below. Many of these vendors will provide student discounts if asked.

### Simulated Weapons

Simulated weapons are only available at speciality prop houses, who are certified and have expertise in the field. These vendors will require liability insurance. Simulated weapons are a Special Scene, and not permitted in all courses. If you are considering this, discuss it with your Production Adviser before proceeding.
